#	Unit Number
#	Channel

Notes:

All Fixtures to be run in standard modes unless otherwise noted

Designer to confirm final light locations

All Ellipsoids without texture should have R-119

Lights may be moved to avoid beam shadows

Lights hung above the stage area may be two-ferred to units in the same systems

Alpha Spot 300 HPE to be hung on CS cheeseborough position

THIS DRAWING CONTAINS VISUAL CONCEPTS AND CONSTRUCTION SUGGESTIONS ONLY.

The Designer is unqualified to determine the structural or electrical appropriateness of this design, and will not assume responsibility for improper engineering, construction, handling, or use. All materials and construction must comply with the most stringent applicable Federal and Local Fire, Safety, Energy, and Environmental Codes.

No liability is assumed, expressed, or implied for the use of this design or any notes or dimensions appearing on the sheet bearing this disclaimer by any entity. No public agency has approved the design or the materials specified. The user is cautioned to read all MSDS's, and review all applicable publications of the NFPA, OSHA, the NEC, etc. prior to attempting to use this design in conjunction with a show.
